

A romantic scene featuring a man and a woman in silhouette, facing each other and looking into each other's eyes. They are positioned in the lower right quadrant of the frame. The background is a dense, cascading shower of golden sparks and fireworks, creating a warm, celebratory atmosphere. The sparks appear to be falling from the top right towards the bottom left, framing the couple. The overall color palette is dominated by dark tones and bright golden-yellow light.

# ABOUT US

Titanium Fireworks strives to deliver the best possible firework displays for any given budget. Whilst our reputation is built on delivering National and International events, we are equally excited when working with event planners and private individuals to deliver wedding and party fireworks.

Titanium Fireworks is owned and run by a team of the most experienced and dynamic people in the fireworks industry. They also happen to be close friends who understand that a broad range of complementary skills are required to succeed. Boasting a combined experience of over 70 years, this team has designed and delivered the most notable displays in the UK since the Millenium.

What makes Titanium Fireworks unique is the depth and breadth of our experience. Why not get the team who designed London's New Year's Eve and Edinburgh's Hogmanay, The Commonwealth Games, and the London 2012 Olympics to design a display for one of the biggest events in your life?
